

## Be a Book Backer

Each year, individuals and groups serve as a Book Backer, i.e. a grade-level sponsor, funding a copy of one book for every pack in a grade. This year, we invite you to choose to be a Book Backer sponsor for any of the grade levels below. Simply make the donation noted for the grade you would like to sponsor and Wright to Read will purchase 150 copies of that book to be included in the summer reading packs.

Please make your check out to the Giving Circle of Alexandria, note the grade you are sponsoring in the memo line and send it to:

Wright to Read  
414 N. Washington St., Ste 101  
Alexandria, VA 22314

Your donation is tax deductible.

Please let us know about your Book Backer sponsorship by February 12 so that the books can be ordered and received in time for packing in March. The books will be ordered through Hooray for Books, Alexandria's independent and local children's bookstore, which partners with Wright to Read and the Giving Circle of Alexandria on this project.
